Track wrestling registrations will be allowed to go back into their registration at any time up until noon on March 13, 2019 and make any changes to their registration such as a weight change or seeding info/points. You will only be able to view your own registration and no one else's so that no one will see your wrestler's weight declaration or seeding info until we release that info on March 15, 2019. It will be available for only a few days and then we will have to shut it down so that we can seed the tournament and build the brackets. Final seeding and placement in a bracket is based upon points but in the event of ties with points placement in the bracket will be made by a tournament director.

Seeding points

You can claim or NOT claim seeding points from the following events. If you claim seeding points, you must enter them specifically in Track wrestling under the extra field (see the example below). This is so everyone can see what your points are and they can easily be checked by our tournament workers.

This year in track there will be only one area to enter your seeding points. It WILL NOT BE a drop down menu you will have to type in all your seeding accomplishments that you are claiming. YOU MUST FOLLOW THIS EXAMPLE so that the tournament workers and everyone else can easily look at and verify your points.

Here is how your seeding entry should look.....

Total Seeding points (58 points)- 2018 Midget Championships (20 points/1st place)-2018 Winter Nats (10 points/2nd place)-Tholl Elite (3 points/participation at Novice)-2019 Sectionals (25 points/5 points for participation & 20 points for 2nd)

Again you must be following this format so that everyone can easily figure out your points. Everything is on track so there is nothing that is hidden from anyone.

Lastly about seeding points. It is the final determination of the tournament director if seeding points are misrepresented and if the wrestler will receive seeding points (if any) so please check and double check your seeding claims.

Any problems with the registration-payment-points-changing weights please e-mail us at bigbashwrestling@yahoo.com It MUST be an e-mail so we have an accurate record of the issue at hand.

Instructions for weigh-ins and Schedule of Wrestling

In order to make a smooth weigh-in process we are ASKING that NO PARENTS or COACHES accompany their wrestler into the "official" weigh-in area. 99.99% of the wrestlers make their declared weight. There is no moving up or down in the tournament based upon your official weight at weigh-ins. So you as a coach or parent already know what weight class your wrestler is entered at so then it is just a matter if he/she makes that weight at weigh-ins....it's that simple.

If a wrestler for some reason does not make weight he will not be allowed to leave the weigh-in area and a tournament worker will then go out and get that wrestlers COACH and coach only.

Again we are ASKING that you follow this simple request. The tournament director/workers will ask you to leave if you attempt to come in. If you choose to ignore this request then you are part of the problem and not part of the solution....enough said. If you continue to disregard this request coaches may be denied coaching privileges at this event.

The official rules for weigh ins are as follows from the IKWF by-laws:

- Wrestlers are required to wear a competition singlet upon entering the weigh-in area.
- Wrestlers are not allowed to leave the weigh-in area until weight has been made or not made.
- Wrestlers are allowed two consecutive attempts to make their designated weight.
- If a wrestler does not make weight the first time, they will be brought to a designated second scale immediately for their second attempt.
- If a wrestler does not make weight, they will be removed from the tournament.

Check scales may or may not be provided and are a courtesy and not a requirement for weigh-ins.

Before they leave the scales the wrestlers will be given a wrestler pass so they can enter the arena of the day of the tournament and exchange that pass for an authentic wrestler pass. Each location will have a unique pass and marking so we will be able to determine (if need be) at what location you weighed in at.

Except at the Oak Forest and Danville weigh-ins. There you will receive the actual wrestler pass.

Coach's bands will only be sold in Danville on Friday night during weigh-ins and on Saturday morning near the ticket office at the Palmer arena from 7:00 am until 8:00 am. If you plan on buying a coach's band DO NOT purchase a ticket for entry into the arena. The coach's band gets you in the door and on the floor. If you come after 8:00 am on Saturday, you will have to buy a ticket and come to the head table and exchange it for a coach's band when you present your coach's card.

Anyone with a skin condition must have that IHSA skin form at all times during the tournament. An official may request to see it at mat side at any time during the tournament even if you passed weigh-ins
